Thank you very much for your interest in becoming a vendor at the Road to California Quilters' Conference and Showcase. Our show is held annually mid January at the Ontario Convention Center in Ontario California.

How to Become a Vendor at Road to California

Requirements to be considered:

All Road to California vendors must carry quilt related products

All products and fabrics shall be sold at suggested retail price

Each vendor is allowed one (1) show special or sale per show

No rolled carts shall be allowed on the Exhibit floor during show hours:
rolled carts or luggage will not be sold by vendors

No more than one manufacturer's rep of any branded longarm or domestic sewing machines, associated frames, and other branded equipment

If we can include you in our show, you will be mailed a contract as soon as it is available. Otherwise we will add you to the waiting list. We will keep your application on file for three years so you do not need to reapply every year. Space is limited on the show floor. When an opening occurs our decision in choosing a new vendor is based on the service/product sold. It is very important to tell us what makes you unique and different. Please indicate if you can be ready at the last minute should a cancelation occur.

Again, thank you for your interest in our show.
