Fabric:

Use fabrics in your stash and combine a variety of the same colors to create this fun and dramatic piece. The more fabrics you use, the more complex it will look. Make sure the dark red fabric group and the medium orange fabric group are different from each other so the reds will not blend into the orange areas and vice versa.

The colors below reference my colors, you may choose four different color groups.

Fabric Estimates for each color group:

Dark blues: 3/4 yd total

Dark reds: 3/4 yd total

Light oranges: 1/4 yd total

Yellows: 1/2 yd total

Border Blue: 1/3 yd.

Cut the pieces and label them with the location number, the block number and block size. These pieces do not need to be these exact sizes. They can be bigger, but not smaller.
