

"Batik Stars In A Desert Sky"

This is a Scrap Quilt. 1/8yd of 13 Fabrics (Stars) are used to make this quilt (they can be made from fat eights if desired). The Background Fabric should be either light or dark using either a solid or a subtle tone-on-tone. A handout for a larger quilt will be provided during class, so additional fabrics are always welcome in a Scrap Quilt.

The Fabric Kit includes all the Hoffman Batiks but does not include the Background Fabric. The Fabric Kit and the Creative Curves Ellipse Ruler Set (2 oval curved rulers) will be available for sale in class.
