

Sewing Machines for this class are provided by Pfaff and Moore's Sewing Center.

Due to safety concerns and contractual obligations, you are **NOT** permitted to use any machine other than the machines provided by Pfaff.

The following supply list may state that you need to bring your own sewing machine. **THIS IS NOT CORRECT.** Please do not bring your own sewing machine to this class.

PFAFF

PLEASE CONTINUE TO PAGE 2 FOR THE INSTRUCTOR'S SUPPLY LIST.

Circle & Curve Sampler

Supply List

- Sewing machine with a straight stitch
- Traditional 1/4" foot (1/4" feet with flanges are difficult to use in this workshop)
- Rotary cutter with a sharp new blade (60mm if you have one).
- Rotary rulers (bring your basic 6" x 12" or 4" x 12" rulers)
- Rotary Mat
- Basic quilting supplies including straight pins, seam ripper, neutral thread, scissors and/or snips for cutting threads
- Measuring tape
- Small sticky note pad
- Paper and/or notebook and/or draft paper for making notes, sketches, and drawings about your quilt.
- Calculator
- Design wall (a large piece of flannel or batting works fine)
- Digital camera or cell phone with the ability to take pictures

Fabric

Bring a selection of half yard cuts of fabric in an assortment of colors and prints. Solid color fabric will create more graphic circles and curves, but prints will work just fine for the class as we will be focusing on learning curved piecing techniques.

Notes on Making Prints out of Solids – Circles & Curves

In this class, we will be exploring a variety of ways to create curves WITHOUT rulers, templates, or pinning. This is a technique based workshop, but we will discuss how to take these techniques and create final compositions. Color, composition, and design will be discussed during the workshop.
